

**IN THE MICHIGAN COURT OF APPEALS**  
**ORDER**

Re: **In re Matthew Randall Eckloff Minor**  
Docket No. **286866**  
L.C. No. **07-003074 DL**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The claim of appeal filed on July 31, 2008, is DISMISSED for lack of jurisdiction because it was untimely filed. The April 30, 2008 order requiring \$144,428.74 in restitution is the final order under MCR 7.202(6)(b). Pursuant to MCR 7.204(A)(2), either the claim of appeal or a postjudgment motion had to be filed no later than June 11, 2008. Because the postjudgment motion was not filed until June 17, 2008, it did not operate to extend the time to file a claim of appeal of the April 30, 2008 final order until July 31, 2008.
